### A Simple Invitation

**O**ver the years I have learned the power of a simple invitation is often under-estimated. We assume people will not accept, especially if they do not now attend church. While that is true for some, it is also true that the majority will accept an invitation from a friend to come to church. It is *really* that easy. Granted, it takes much more work to bring someone to complete faith in Christ, but the starting point is often an invitation.

**Have you invited your friends to church?**

**"Come near to God and He will come near to you" (James 4:8)**

**T**his morning our **adult Bible Class** will begin the book of Matthew. There are workbooks on the Information Table. Please pick one up and be prepared to learn more about Christ and what He taught.

### Welcome To Our Worship Service

**P**reach the gospel. It's God's power to save. Love for souls impels the faithful man of God, and love for Christ will constrain him, and keep him within the limits of the message delivered to the world, through inspired men selected by the Master... In Luke 10:2 Jesus told the disciples, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." *Do we pray for workers? Have we prayed for workers? Start praying for workers today!*

“Go into all the world and preach the good news to all creation.” (Mark 16:15)

**How Do You Live the Christian Life?  
(Approaches to the Christian life that will not work)**

- Don’t try to live the Christian life if you haven’t personally taken the necessary steps to accept Christ as your Savior and Lord.
- Don’t try to live the Christian life by merely relying on your ability to keep the rules.
- Don’t try to live the Christian life by just making a weekly pilgrimage to church.
- Don’t try to live the Christian life by simply doing good.
